

The Boarder Line Carbon Custom Kiteboard WomenGirl 133x40 (400 EUR)

Locatie **Friesland, Workum**
<https://www.advertentieX.nl/x-1153941-z>

The board is handmade in Germany in a small manufacture in Hamburg and custom designed that only exists once. It's in really good condition and the footpads & straps are in amazing condition as well. They are perfectly adjustable to small feet.

The board is super light, less then 2,5kg, because it's full Carbon.

You can find further description and information about the model 'XXX' on the website of The Boarder Line Custom Kiteboards.

The price for the new board was 1099€

There is a WOO Mount on the Board, wich is included, as well as fins & Fin folder.

You can see the Board in.
