

# Apple iPad Pro (4th generation)

Locatie

Noord-Brabant, Helmond

<https://www.advertentiax.nl/x-1166050-z>

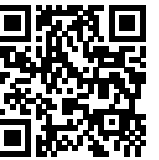

Apple iPad Pro. Beeldscherm diagonaal: 32,8 cm (12.9"), Resolutie: 2732 x 2048 Pixels. Interne opslagcapaciteit: 512 GB. Processorfamilie: Apple, Processormodel: A12Z. Resolutie camera achterzijde (numeriek): 12 MP, Type camera achterzijde: Enkele camera, Resolutie camera voorzijde (numeriek): 7 MP, Camera voorzijde. Wifi-standaard: Wi-Fi 6 (802.11ax). Assisted GPS (A-GPS). Gewicht: 643 g. Inclusief besturingssysteem: iPadOS. Kleur van het product: Grijs

Met Apple iPad Pro (2020) 12.9 inch 512 GB Wifi + 4G Space Gray ga je met jouw creatieve projecten aan de slag. Met de 2 camera's op de achterkant van het toestel maak je al jouw beeldmateriaal gewoon zelf. Dankzij de ultragroothoeklens vang je meer beeld in één video of foto. Daarna heb je direct alles beschikbaar om je project vorm te geven, want iPad Pro beschikt over een A12Z processor. Daarmee multitask je probleemloos door verschillende apps naast elkaar te zetten. Jouw projecten werk je tot in de details uit op het grote 12.9 inch retina scherm. iPad Pro is geoptimaliseerd voor Augmented Reality, dankzij de LiDAR Scanner. Deze sensor meet de afstanden nauwkeurig, zodat je het meeste uit jouw AR games en apps haalt.

Het meest geavanceerde mobiele display ter wereld.

Het schitterende Liquid Retina-display loopt van rand tot rand en zit boordevol geavanceerde technologie. Dankzij True Tone en ProMotion voelt alles op iPad Pro net zo geweldig aan als het eruitziet.

|                                                                                                                                                                                                                                |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |
