“ROOM MATE HOTELS (www.room-matehotels.com) is a Spanish hotel chain founded in June 2001 whose philosophy is to consider that the best way to travel is visiting friends in each city; friends whose lifestyle we share and that transmit their knowledge and experiences of the city taking us by the hand through it.

The Room Mate hotels with around 1,500 rooms available acquire the characteristics of a true host, and their customers are more than guests, roommates (Room Mate). They are seen as 'homes' that open their doors to travelers who come to the city looking for comfort, warmth and welcoming spirit offered by its great human and professional team to the guests.

Room Mate, with hotels in Madrid, Barcelona, Malaga, Milan, Florence, Granada, Salamanca, New York, Miami, Mexico City, Istanbul, Amsterdam, offers trendy design, always privileged location in the city center, breakfast until 12.00 h and always Wi-Fi. It is for those customers who care to look after their money and want an affordable luxury.

At Room Mate Hotels we value respect for ourselves and for all those around us. We practice transparency and honesty with our customers, employees, suppliers and shareholders. We promote equal opportunities, non-discrimination and diversity of people, ideas and cultures. We continually innovate our products to meet the expectations of all who visit us, but above all, we maintain a close and friendly work environment where our employees, while working, have fun and where our customers feel at
