

# Asus rt-ac68u aimesh 2.0 ready router (60 EUR)

Locatie **Noord-Brabant, Eindhoven**  
<https://www.advertentieX.nl/x-1168505-z>

Te koop snelle stabiele dualband aimeshrouter van asus  
 deze router zit nog steeds in het firmware update process bij asus.  
 Met allerlaatse merlin firmware. Of desgewenst de laatste asus firmware.

Wegens overgang naar wifi6

Ideale goekope thuiswerkrouter! Snel stabiel ook met veel clients simultaan.

Je kunt zelf je quality of service instellen zodat je kids niet alle bandbreedte toe-eigenen.

Ook kun je wr een aimesh netwerk van maken met 1 druk op de knop als je als een asus aimesh compatible router hebt.

Prijs ex verzenden en wordt hufferproof verzonden maar ophalen mag ook.

|                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |
