

## Citroen C2 1.4-16V Sensodrive 2009 Rood (4.500 EUR)

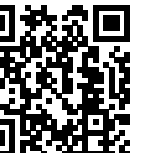

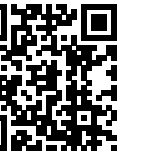

Locatie **Gelderland, Nijkerk**  
<https://www.advertentiax.nl/x-1168963-z>

Hierbij bied ik mijn auto aan omdat ik niet meer regelmatig hoef te reizen. De auto is goed onderhouden. De auto heeft veel opties zoals automatische verlichting en ruitenwissers en een originele achterspoiler.

APK tot augustus.

|                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |
