WHITE HONDA CIVIC 1.3 HYBRID 2010 + android HD 8.5 "screen + THULE bike carrier (APK until APRIL2022)

Can be yours.

I had an amazing 2 years and 30000km with this car. I did a few eurotrips, campings and even moved from one place to another. Perfect car for couples, small families and uber drivers. Car has few scratches as visible in photos.

See attached photos and contact me for viewing and test drive

Recent repairs / modifications (everything documented):

New tires, oil, filters - March 2020

New airco + ozoning July 2020

Battery revitalization- December 2020

New brake pads - March 2021

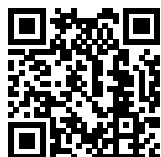

On the top of that I have modernized multimedia system with the strongest (at the time) possible android system (599euro)

Thule bicycle carrier (350)
