Macbook Pro 15,6 inch Mid 2014 in as good as new condition

- CPU: 2.5Ghz (a bit higher than basic 2.3Ghz)
- RAM: 16GB
- SSD: 512GB
- GPU: NVIDIA GT 750M 2GB GDDR5 (Windows in BootCamp + Metal Support)
- Battery: 574 cycles (browsing + light DS work in PyCharm/Jupyter Notebooks ± 5 hours)
- Full size ports USB, HDMI, SD etc.
- Probably the best value Macbook atm that has aged gracefully :)
- US-version(can be seen by keyboard & power cord) .
- Original box

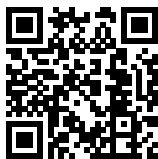

As you can see in photos, I've taken a good care of it :) Reason for sale: Due to work I need a more portable Macbook for Data Science Consultancy:)
