Ozone zephyr V6 17m + contact water bar 55cm V6

The kite is an amazing low wind monster. You can foil with it at 8 knots or TT at 11 knots assuming you are around 80kg

The kite was bought last year and used for a few times (i think around 8 times) . Still crispy(whats app me for video)

1 professional 2cm repair (happened in the first session) see last picture

The bar is in excellent condition as seen in the picture.

The kite and bar was bought 2450€ , can go for 1500€.
