Package includes:

- Pimax 8K VR Headset
- 2 x SteamVR base stations
- Modular audio head strap (KDMAS)
- Protective silicone sleeve
- VR comfort kit
- \$100 discount coupon for Eye Tracking Module!!!
- 6m Fiber Optical Cable
- Installation manual

Optional modules(not included):

You have the option to customize your VR experience by purchasing extra modules, such as:

- Wireless transmission: for cable-free virtual reality.
- Leap Motion support: provides a more fluid experience with this hand motion tracker.
- Pimax Knuckles controllers: the controllers have five-finger tracking, for increased functionality.
- Eye-tracking: offers users better immersion by detecting the user's gaze.

Product is as good as new, it works flawlessly and it was used a few times for games such as Elite Dangerous.
