

OnePlus 6T - 128GB - Mirror Black (8GB RAM) (200 EUR)

Locatie **Noord-Brabant, Tilburg**
<https://www.advertentiax.nl/x-1178266-z>

Now that I have a new smartphone, I am offering my OnePlus 6T for sale.

Apart from the USB-C to Aux adapter, which is missing, all other cables are included.

Furthermore, all documents are in the packaging and the original packaging is also included. The smartphone had a protective cover on the back all the time, as well as a protective film on the display. This means that there are no scratches on the front or back. The device is technically flawless.

If you would like more pictures or if you have any questions, please do not hesitate to contact.
