Graphics: A DirectX 10 graphics card is required to accelerate the graphics hardware

Multi-Touch: A touch-capable device is required in order to be able to use all multi-touch functions. However, all features and functions are always available via a keyboard, mouse or other standard or accessible input device. Note that the new touch functions are optimized for use with Windows 10 or higher.

Additional requirements: An internet connection is required for internet functionality. Microsoft account required.

Ik verkoop dit omdat ik ze niet nodig.
