The new single monitor costs 450 euros. I am offering both monitors for total of 420 Euros.

Product DescriptionThe bezels of the Dell InfinityEdge monitor, including bezel and idle black space, create a virtually seamless viewing experience. The top, left and right edges are 5.3mm wide and the bottom edge only 8.3mm. This 24 " Full HD Monitor with IPS panel is also height adjustable and rotatable. Ideal for the office to adjust the monitor to everyone's desired height.

Key Features:

- More Accuracy: Colors remain as accurate as possible with delta E <2 for immersive viewing. Stunning from every angle: Colors remain consistent across an ultrawide viewing angle for a guaranteed stunning display no matter how you view the image.
- Quickly tailor your monitor to the way you work. Bright and Vivid: Immerse yourself in consistent, multi-monitor display with super-thin black borders and the narrowest bezel ever between two displays on all sides.
- Unparalleled Versatility: Enjoy full adjustability to pan, tilt and rotate the display to the position and height you want.

Connections: HDMI 1.4 (MHL 2.0), DP 1.2, mini DP 1.2, DP out, 4 USB 3.0 and audio line out.

Used - as good as new.
