Airush Union V3 2018 in 7m te koop.

Aangezien ik een mooi weer kiter ben gebruik ik de 7m eigenlijk niet. Hij is daarom ook nog maar 5 keer gebruikt sinds nieuw gekocht. Omdat het zonde is om een z.g.a.n. Kite in de schuur te hebben liggen gaat die in de verkoop.

De Union v3 is een allround freeride kite. Airush beschrijft hem als volgt:

Big Air, Hang Time, and Horizontal Pull in the Kiteloops.
 Intermediate to advanced all-round versatility.
 Unhooked performance.

The all-new UNION III has been re-designed from the bottom up to improve key areas. The UNION III delivers even more lift and hangtime when going for Big Air, along with quicker and more responsive steering.

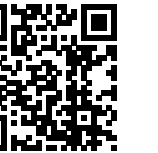

The shape has been refined to sit slightly further forward in the window whilst retaining the light and ultra-responsive steering.

A new wing-tip design prevents back stalling while the increased linear power delivery has made it even more suitable for freeriding, freestyle and wave riders alike.

The UNION III is the natural step up for the Lithium user looking for increased jumping performance and quicker depower response, or for the freestyle rider wanting unhooked performance with the usability of

increased depower and a more forgiving feel.
