Locatie **Noord-Holland, Amsterdam**

I am the second owner of this car and I bought it in 2016 with only 12k km driven. Always parked in garage at home or at work.

Serviced at authorized dealers only - annually in Stern (Hilversum and Amsterdam) and once at KwikFit.

No damages or accidents.

Need a seven-seater due to family expansion, therefore selling this beautiful sedan in a great shape. Lucky is the one who gets it!

Note: Pictures are showing Winter rims, at the moment I have switched to original black rims with Summer tires. KM stand changes as I am driving the car from time to time.
