I'm selling my beloved MacBook Pro 15" that has carried my through my last years of university. The computer has an i7 processor, 16gb of ram and a Radeon Pro 555 discrete GPU. It feels as responsive and smooth as the day I purchased it. It is in great physical state and has always been handled with care, being used mostly inside.

The entire bottom part of the computer (the battery, the keyboard and all the bottom chasis) was completely replaced by Apple in mid 2020, meaning that it has the latest iteration of the butterfly keyboard (miles better than the original) and a complete new battery (due to the pandemic it has never been used on battery, so it is truly new).

It has a Spanish
