

## HP DL360p Gen8, 2x Xeon 10C E5-2680 v2 2.8GHz, 64GB (8x8GB) (967 EUR)

Locatie Zuid-Holland, Rotterdam  
<https://www.advertentieX.nl/x-1196852-z>

HP DL360p Gen8, 2x Xeon 10C E5-2680 v2 2.8GHz, 64GB (8x8GB), 3x 600GB SAS 10k , P420 1GB BBWC, 2x PSU, Rails  
 ID: 290281, SKU: 261623009, Plaatsingsdatum: 2021-06-14 12:38:53

Model  
 DL360G8

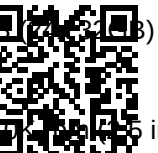

Behuizingen  
 Rackmount 1U

Processor  
 2x Intel 10C Xeon E5-2680 v2 2.8GHz (20MB)

Supports upto 2x Intel Xeon E5-2600 v1 and v2 processors

Geheugen  
 64GB (8x8GB) DDR3 1333MHz PC3-10600R ECC Registered

Number of Memory slots: 24  
 Type of memory: DDR3 1333MHz PC3-10600R ECC Registered or DDR3 1600MHz PC3-12800 ECC

|                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |

---

Controller  
HPE Smart Array P420i, 6 GB/s, 1MB cache FBWC, battery (RAID 0/1/5)

Aansluitingen  
Ports: USB 2.0 (Total 7)  
Rear: 4  
Front: 2  
Internal: 1

Videokaart  
Integrated Matrox G200 video standard

Stroomverbruik  
Standard: Dual Power Supply 500 Watt (redundant)  
Optional: 800 Watt and other versions available

Afmetingen  
(hoogte,breedte,diepte) 4.32 x 43.46 x 69.9 cm

Gewicht  
17.14kg

Software  
Optioneel

Garantie  
2 Jaar

Conditie  
Refurbished

Prijs  
1+ EUR 967

Alle prijzen zijn incl. 21% BTW, onder voorbehoud prijswijzigingen.

Levering aan bedrijf of aan huis door heel Europa. Verzendkosten zijn niet in de prijs inbegrepen.  
Verzendkosten voor doos zending 10 euro, voor pallet zending 50 euro.
