

## Honda cb550k3 1977 oldtimer.

Locatie **Limburg, Sittard**  
<https://www.advertentieX.nl/x-1204472-z>

Hele mooie Originele honda cb550k3 te koop.  
 Deze motor is orgineel en ongerestaureerd,  
 Het motorblok is compleet van onder naar boven gereviseerd, De caberateurs zijn ultrasoon gereinigd en gereviseerd,  
 Daarna is de motor naar een motorspecialzaak geweest die gespecialiseerd is in deze motoren voor het afstellen van de carburateurs, reviseren van de voorrem en compleet nakijken en klaar maken om de weg op te gaan. Deze motor loopt perfect!!! ( factuur aanwezig)  
 Ook is het orginele gereedschap setje aanwezig en de tank nog heel mooi hier zitten geen deuken of deukjes in!! Richtprijs 6500!!

|                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |
