

## te koop zeilboot (1.000 EUR)

Locatie **Noord-Brabant, Linden**  
<https://www.advertentiax.nl/x-1206898-z>

lengte: 5.10m  
 breedte: 1.85  
 wel beschadigd maar zeker prima om mee te varen  
 wat bij de boot hoort:  
 - grootzeil  
 - het fok  
 - meerpen  
 - klotenklappers  
 - genoeg lijnen (stuk of 8)  
 - extra schroefjes en boutjes  
 de mast is als het goed is 8 meter  
 er zit een motorblok aan  
 het zwaard zit er al

|                                                                                                                                                                                                                 |                                                                                                                                                                                                                  |                                                                                                                                                                                                                  |                                                                                                                                                                                                                  |                                                                                                                                                                                                                   |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |
