Locatie **Noord-Holland, Haarlem**

For sale here is my Core Section 9m, which I have owned from new.

It's a wave / freeride kite (also good for foiling), with fast steering, light bar pressure and lots of depower ability at the bar.

The canopy is in great condition, with no rips, holes or repairs and the bladders do not leak air and have never been punctured.

It comes with the Core Sensor 2s bar, which is a reliable system and in good condition.

The kite also comes with a bag.

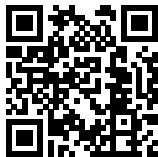

Collection available from Haarlem or the beach when it's!
