With the Azerty Titanium Plus game system, you get a PC that is prepared for anything. On this heavy gaming PC you can play all your battle royale games like Fortnite, Player Unknown Battlegrounds and Apex Legends on the very highest settings. Also Borderlands 3, Star Wars Jedi: Fallen Order and Red Dead Redemption 2 look fantastic, and run smoothly at WHQD resolution with high quality settings. And thanks to the GeForce RTX 2080 Super video card you can enjoy beautiful ray tracing graphics in Minecraft and Battlefield V, among others.
