Audi A3 , with low mileage and great condition for it's age. Runs and turns well. Timing belt was already changed before I bought it.

Bought it couple of months ago but hardly used it because I have company car. Kept professionally clean . APK is still valid till 19th of July 2022. Tank is almost full .

In short a great car. Serious offers only . Not in hurry to sell so, will discard offers lower then the asking price. Test drive possible .
