PERFORMANCE

The Fluid TwoSeven is a very playfull allround board. 100% made in europe so you will get the best quality you can get for the best price! The Twoseven has a 100% woodcore combined with sheets of carbon. making this one of the best allround boards you can find. The outline has a special design to reduce spray. The 4CM Stagerocker and 1.5MM concave make the board easy to handle and perfect for all sorts of conditions.

CONDITIONS

The Fluid TwoSeven is a very playfull board with a huge amount of load and pop. You can easily choose to ride the waves or use the wave as a ramp and make a perfect load and pop on the end of the wave. In choppy conditions the outline helps to cut right true it making loading and popping it also much more easy.
