Motorola E6 Play smartphone.

2 GB / 32 GB memory plus 2 GB memory card. It is very stable (Android 9), dualsim, it takes great and clear photos. It is in great condition, with the foil on the display (5,5"), with one scratch marked (something scratched in the pocket). The set includes phone, box, manual, charger and USB cable (original for this model). The battery lasts for 2 days (data transmission is on all the time, sometimes I watch a movie, play, talk, write text messages, take photos). This is a good result!

Motorola was bought in November 2020 from MediaMarkt and I estimate its condition at 5. It is still under warranty.

This is a really successful Motorola.
