Sorry, we are 3 international friends and we don't speak Dutch very well, hence only English description!

Kelt 800 - French cabin yacht from 1979. Loa=8.0 ; width=3m ; draft 1.6 m ; vertical clearance approx. 11 m. Very nice boat for weekend trips with 3-4 people or day trips with more people.

Moored in Monnickendam, paid until March 31st 2022!

Good spacious cockpit, swim ladder, anchor box on the bow. Interior is quite spacious and the internal clearance is approx. 1.8m. It is equipped with a small kitchen, fridge/freezer, storage for food, 2 batteries (hotel and engine start), a nice dining table and a retractable chart table. There are a total of 5 bed places (2 in the front cabin). There is a small toilet with sink.

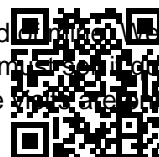

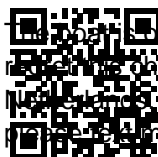

Equipped with safety vests and all the necessary safety equipments. There is a well working autopilot (Autohelm 2000 autopilot)

Main sail, Genoa, small Jib, Spinnaker (with boom).

Volvo Penta 8hp MD5A works very well.

Unfortunately, the original cover of the anchor box went lost at sea, but another one is available.

This boat is owned by a Dutch friend of mine. We bought it 10 years ago and we then sold it. It was a great choice! Unfortunately, we need it quickly since it is moving away from the Netherlands. We want to sell it as fast as possible and the price is negotiable. Please let me know if you are interested!
