

## Vx800 1991 (800 EUR)

Locatie Zuid-Holland, Maasland  
<https://www.advertentieX.nl/x-1259115-z>

Hele nette vx800 met veel nieuwe onderdelen

- olie
- filters
- gaskabels
- boegies
- benzinekraan
- vacuum schuif carb.
- voorvork seals en olie

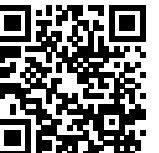

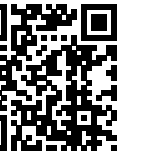

Na winterstalling lekt er bezine.  
 Vlotternaald vervangen kost max €50,00 voor een originele set.

Motor loopt en rijdt perfect.

Staat nu in de garage voor lekkage controle.

Mag weg voor een redelijk bod. Ik zoek iets met een hogere zit.

Zeer goede basis voor custom project of cafe racer

|                                                                                                                                                                                                                    |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |
