Hey there,

So I bought this bike exactly few days ago, but have to go back home now and don't have a place to take the bike with me.

I bought it second-hand, so it's not perfect, but it's working really good.

Both lights are working, brakes are working, lock is working and in general the bike is in a good condition really to rumble.

Will give it away for 75€.

PS. Only pickup, and only on Saturday, 18.12.

Thank:)
