Well taken care of, barely used for Netflix and drawing, battery in good health and not a scratch.

I'm selling the Ipad because I don't really use it that much and I want to buy a new computer (accept offers on MacBooks).

Comes with the case, travel bag, Apple Pencil second-gen, all boxes and receipts.

Ipad has a crack that is almost not noticeable across screen (only visible if you turn it, see last picture) doesn't influence in anything, I've drawn with it and the skin protection covers it well.
