For sale is my Toyota C-HR Hybrid bi-tone. I have owned this car since 2017 and am the second owner. The car has always been maintained at Toyota Louwman Groningen and service records are available. Recently purchased new tires with approx 10,000 km on them. Full leather interior with heated seats and heated steering wheel.

There was a small crack on the left rear mirror (picture attached) that has been filled with sealer. No water in any of the lights and car runs perfectly. Never had any problems with.
