Reliable, Unmanaged 10/100 Ethernet Switching

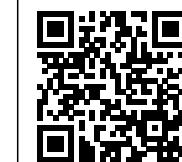

Perfect for midsize business networks and branch offices, this switch is a reliable, easy-to-use solution without the complexity of management. Cut network bottlenecks, avoid the network span limitations of Fast Ethernet hubs, and deliver high performance. Lifetime Limited warranty and optional backup power systems help ensure trouble-free operation. Works "right out of the box" with no configuration and no management software needed. LED indicators make it easy to spot faults and check the status of individual ports. Automatic sensing of link speed, duplex mode, and cable type optimizes connectivity. MDI/MDIX pushbutton simplifies installation and configuration without crossover cables. 802.3x congestion control helps reduce packet loss and improve performance. Stress testing maximizes quality and reliability, backed by a Lifetime Limited warranty.
