

## Liquid cooled, 3080 FE, Ryzen-9 5950X, WiFi, CL14, PRO 1TB (4.300 EUR)

Locatie **Noord-Holland, Haarlem**  
<https://www.advertentieX.nl/x-1272808-z>

RTX 3080 FE (Non-LHR)

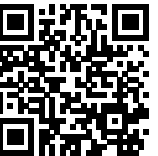

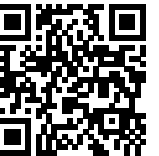

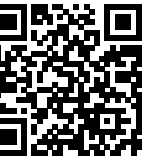

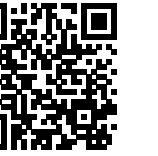

ASUS ROG Crosshair VIII Impact, X570, Mini-DTX Gaming Moederbord

Ryzen 9 5950X (16 cores, 32 threads)

32GB RAM: G.SKILL Ripjaws V Series DDR4-3600Mhz CL14-32GB Dual-Kit

Liquid Cooler: NZXT Kraken X53 240 mm - RL-KRX53-01 - AIO RGB CPU

Fans: Noctua NF-A9 PWM X 1 (Case), Noctua NF-A12x25 PWM X 2 (Liquid cooler), Corsair ml120 Wite LED X 2 (Case) PSU: Corsair SF750 Platinum

|                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |
