

## Daihatsu Cuore 1.0 3D Automaat 2008 Zwart (2.995 EUR)

Locatie **Gelderland, Dieren**  
<https://www.advertentieX.nl/x-1273475-z>

Goed onderhouden Daihatsu Cuore automaat uit 2008 te koop met een kmstand van maar 49850 km. In november 2021 zijn de volgende onderdelen vervangen:

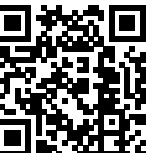

- distributieriem
- 2 voorbanden
- remblokken voor
- ruitenwissers voor

Verder ook in november 2021 heeft de auto een kleine onderhoudsbeurt gekregen en een APK keuring geldig tot januari 2023!!

Minpunten: kleding berijdersstoel licht beschadigd en er zit een kleine deuk in het voorscherm links.

Ik verkoop deze auto omdat ik inmiddels over een leaseauto beschik.

Verbruik van de auto is gemiddeld 1

|                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |
