In perfecte staat! Bijna niet mee gevaren. Ben zelf toch meer een twin tip boarder.

Met dito boardbag.

De North North Nugget in het kort.

The Nugget is all about having fun and maximizing your time and stoke in the water! This radically different approach to a conventional surfboard allows you to get out there and rip apart small waves in light wind. The Nugget's ultra wide round-tail, super low rocker and a unique bottom shape are all aimed at maximum glide, tight turns and upwind performance in light wind and small surf. Full boxy rails and an ultra flat deck maximize the Nugget's volume to keep it short and compact. Don't let the looks deceive you... This fat little board absolutely rips strapped or strapless! If you are serious about maximizing your time on the water and want a board that truly performs when others will not, you need a Nugget. At 5'0" the Nugget is also a great option for minimizing excess baggage costs.

size: 5'0" x 21.0" x 2.3/8" - (3)
