Locatie **Noord-Holland, Amsterdam**

The very first hotel of Melia hotels and resorts in the Netherlands has opened on the 19th of April 2021! Inside Amsterdam has 328 hotelrooms, a restaurant and lobbybar, 3 creative meetingrooms, a Skybar on the 19th floor and a fitness studio. Curious about our concept? Goodbye to the work-trip. Bleisure has evolved, and rather than work and play, or play and work, our audience are looking to blend their professional and personal lives seamlessly, as they travel to exciting locations that stir their souls. 'Leisure at heart, business in mind'. We want guests to feel comfortable and confident. So we get to know them inside and out, so their stay always feels like more-than-home. Guests expect consistency, but that doesn't mean they don't enjoy surprises. Little touches relevant to them that spark curiosity.
