Citroen C4 Cactus a nice all-around car to drive , in great condition , on-time maintenance according manual book.

Timing belt has been replaced at 180.000km ,
 catalyst and AdBlue unit were replaced as well
 by Peugeot PSA GROUP official dealer , and were very expensive parts (invoice available) , so no problems in the future with extra costs to think about.
 Maintenance and oil changes were always on time (change oil/filter every 10.000km). It's an accident free car.
 All those are reasons explain the price.
 Good looking vehicle, drives great and demands very little as it is very economical in fuel (3,5-4lt/100km) and with efficient performance (100ps).
 17inch light alloy wheels , panorama , leather seats , cruise control , seat warming and many more extras.
 APK until February.
