FIRE. 2022 Update. We lost 4 T3's last year (we knew) because of fire in the Engine Bay! None of these beautiful T3's needed to be lost. Fit a **BLAZECUT** under the engine lid! There is no excuse! We sell them, We fit them. They are not expensive & to watch your T3 go up in flames is crazy. Many other problems are awful Electrics in your T3. Again, these can cause all sorts of problems & fires. We can fix those too.

Security. If you don't want your T3 stolen, fit a **BEAR-LOCK**.

and both will reduce your insurance costs and risks of a total loss of your T3!..... We can not warn you loud enough!!!!

STAYING WARM (even in summer). Want to be snug, warm & safe, **PROPEX CV** (Heating) Systems. A damp day, sudden cold and or that old CV unit in your T3 no longer works or is unsafe, it's time to update it with the 100% safe & super warm system. Blows cold air too if you need it!... a must for the serious campers and children too.

We have solutions for all the above, we are 'official' agents/fitters for BlazeCut, Bear-Lock and Propex CV's,

BLAZECUT. Don't loose your T3 to fire!. it happens,If you've got wires everywhere, they need

fixing. Bear lock is the best! Your T3 is too easy to steal. Simple & recognised by all the Insurance Companies. Propex CV's. Even Solar Panels. We know what we are talking about. Fuel Injection Solutions are available. Electrical issues. Service. We can do a dashboard upgrade. Motor. Wiper. Wiping. You will fix it.

We are The VW T3 Specialists. We specialise in the T3 because that is what we know intimately, so whatever you need attention to your T3, we can sort out for you. Fire, Electrical security & a long list of other services. See our other advertisements for all the other bits and pieces we can help you with. Everything under one roof.
