

Procurement Manager

Locatie **Noord-Holland, Amsterdam**
<https://www.advertentieX.nl/x-1301328-z>

For our client Fenzi AGT in Maastricht, the world leader in the field of complex glass enamel, we are looking for a Procurement Manager to lead and grow the procurement team.

Bedrijfsomschrijving

As of February 2022, our client in Maastricht changed from part of a global company in many different markets to a new organization specialized in the glass market, called Fenzi AGT.

Fenzi AGT's products are marketed all over the world and find their way into the automotive and glass industry. The head office is located in Maastricht and the production locations are located in the Netherlands, China, the US, and various sales staff in different countries around the world.

About 200 employees work at Fenzi AGT in Maastricht. As part of the new Italian owner Fenzi (specialized in glass applications), it combines the advantages of a multinational and a medium-sized company. Fenzi is ISO 14001 certified.

Functieomschrijving

We are looking for someone who will continue to exceed the expectations and standards of Fenzi.
 The key responsibilities to do so will be:

Developing and executing contemporary supply chain strategies; Developing, implementing and continually monitoring and adjusting extensive global price benchmark for key raw materials and total costs; Actively search for and qualify new high-quality, cost-competitive and innovative suppliers, both local and global, to drive flexibility and competitive prices; Negotiating and developing strategic supply agreements; Ensuring that all sources are available for production; Creating a strong FI and vendor relationship; Analyzing market trends and prices to inform commercial decisions; Managing business risks; Managing and optimizing all procurement activities including RFQ's, development of new products and materials and good supplier relations. Best but not least, you have a strong desire to grow a successful procurement team in a new way to be able to increase the company's performance.

Functie-eisen
 Our strengths and qualifications:

Excellent functional Procurement experience in a similar position, with specific experience dealing with chemical products and raw materials; A bachelor degree with preferably a background in chemistry; Knowledge and experience of best practice category management, sourcing, contract management and supplier performance
