Recently serviced BMW R1100R in good condition. Still being ridden ocasionally. A really nice bike with a lot of character.

Last month it had its oil changed, new oil filter, new brake pads (front/back), new clutch cable. Also new battery last year. it also had its cardan changed around 60k (by the previous owner). Still has good tires.

It has handle heating and a small and a big windscreen (big one in the photos) Used for commuting but also some touring. Comes with 2 bmw touring cases of which only one can be locked, also a tank bag and phone holder. You will also get a set of front brake pads of which I have an extra spare. Everything is sold as a package.

There are some defects as you can see from the photos but nothing serious. It's going because I bought a newer bike but I also still enjoy riding this one.

You're welcome to come and take a look, I only respond to sensible offers.

Er zijn enkele gebreken zoals u op de foto's kunt zien, maar niets ernstigs. Hij gaat weg omdat ik een nieuwere motor heb gekocht, maar ik rij er nog steeds met veel plezier op.

U bent van harte welkom om een kijkje te komen nemen, ik reageer alleen op verstandige.
