

## Honda C-RV 2.0 16v AWD (9.900 EUR)

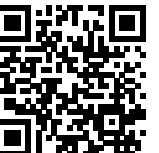

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-1303675-z>

Honda C-RV "Edition" 2.0 16v i-VTEC AWD. Mooie uitvoering en in zeer nette staat.

Nieuw geleverd in Duitsland. In augustus 2020 zelf geïmporteerd met 72.000 km. Zeer goed onderhouden, schadevrij en met volledige historie, boekjes etc. Deze 3e generatie CR-V is een "Edition" die alleen in Duitsland geleverd werd en daardoor is uitgerust met o.a.:

- Climate Control, Dual Zone
- Stoelverwarming
- Verwarmde en automatisch inklapbare spiegels
- Radio CD-speler met Aux-ingang in de middenconsole, plus extra 12v aansluiting.
- Met leer bekleed multifunctioneel stuur
- Met leer beklede pookknop
- Cruise control
- Handgeschakeld, 6-bak
- Vierwielaandrijving
- Getint glas / privacy glass
- Mistlampen voor
- Regensensor
- Koplampsproeiers
- Afneembare trekhaak (1600kg)

|                                                                                                                                                                                                                              |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                                |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |
