360° Waterproof Motorcycle Phone Holder With Touch Screen ?SAFE AND STABLE

The specially designed mounting clamp is equipped with a penetrating metal axle and a quick release buckle, which make installation firm and easy.

?SHOCKPROOF & SCRATCH-PROOF

The brackets and pad are made of silicone, which protects the cellphone from scratches or abrasions, reduces vibration and holds your phone more firmly.

?360° ADJUSTABLE ANGLE

The spherical joint of the bracket not only can adjust the tilt angle front and back, but also the phone can be rotated 360 degrees horizontally to meet more usage needs.

?WIDE COMPATIBILITY

It is universal for 6.5-inch mobile phones.

?EASY TO USE

It is easy to install without tools. After installation, you can enjoy a free and one-way ride.
