Fairline Targa 43
Hull number GB FLN 0982711102

For sale A very well maintained Fairline Targa 43 with the popular blue hull and American Cherry interior.

Manufacturer Provided Description

Designed as much for socialising as she is for speed, the Targa 43 does both exceptionally well. Spaciously arranged and generously equipped both above and below deck, her integral garage is a convenient big-boat touch. Yet you can propel her Olesinski-designed hull through smooth or rough seas with equal ease - at speeds of up to 35 knots. Her stiking teardrop coach roof, huge deck and rakish lines make the Targa 43 a head-turner whether she's powering her way across open water or sitting comfortably at anchor. She's a joy to pilot, thanks to her fast, dry hull form, ample power and crisp handling, while her outstanding space and amenities make entertaining a pleasure.
