

# Daihatsu Cuore 1.0-12V DVVT STi (bj 2002) (895 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentieX.nl/x-1315898-z>

Auto reeds voorzien van een nieuwe APK keuring. (Vervaldatum: 29-06-2023)

Daihatsu Cuore 1.0-12V DVVT STi

## Algemene gegevens

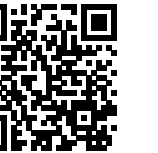

Tellerstand: 187.887 km  
 Carrosserievorm: Hatchback (3-drs)  
 Aantal deuren: 3  
 Brandstofsoort: Benzine  
 Bouwjaar: sep 2002  
 Transmissie: 5 versnellingen, Handgeschakeld  
 Kleur: Groen metallic  
 Interieurkleur: Grijs  
 Bekleding: Stof

## Technische gegevens

Motorinhoud: 989 cc  
 Aantal cilinders: 3

Vermogen: 41 kW (56 PK)  
 Top snelheid: 140 km/h  
 Accel. 0-100: 10,6 s  
 Vrijloop: 235 cm  
 Gewicht: 695 kg  
 Laadvermogen: 505 kg  
 GVW: 1.200 kg  
 Max. trek gewicht: 600 kg (ong. remd 250 kg)

Functionaliteit  
 Aantal zitplaatsen: 4

|                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                             |
