Selling our Nihola 4.0 due to relocation outside the Netherlands. We bought the bike at Beerfitsen Shop in Den Haag at a price of 5600 euros (refer to last photo), in December 2021. We used the bike to bring our kids to school. The battery is still in very good condition and so is the bike. We were very satisfied with it.

Feel free to come to take a look at the bike and have a test ride. The bike is parked in the street at this address: 2581 XA Den Haag

Note that I'm taking two weeks of holidays from 13 Aug to 29 Aug so I won't be able to handover the bike during that periods.

Regards,
