

## Samsung Galaxy xcover 4s 32GB zwart adapter (170 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-1323858-z>

2019Android 9.0 PieTooltip4G5 inch scherm Tooltip  
 De Xcover 4s is uitermate geschikt voor gebruik in extreme omstandigheden. De Xcover 4s is dan ook volledig water- en stofdicht. Met de 2800 mAh batterij van de Samsung Galaxy Xcover 4s haal je het meeste uit je smartphone.

Pluspunten:  
 Erg robuust Te bedienen met werk handschoenen aan  
 Camera:  
 Met de 16 megapixel camera aan de achterzijde inclusief flitser maak je heldere foto's in hoge resolutie. Ook beschikt de Xcover 4s over een frontcamera van 5 megapixel.

Nieuwe prijs: 285.

|                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |
