FOR SALE SAMSUNG GALAXY TAB S7 + Wifi

As above, for sale a tablet that was purchased last December. The device was used very rarely (a moment after buying a tablet, I bought a laptop with a tablet function), which is why it is in perfect condition.

Comes with a sPen stylus.

Fingerprint reader built in under the display.

The device is of the Mystic Navy color, i.e. dark blue.

Very bright Super AMOLED display with a diagonal of 12.4 inches with a resolution of 2800 x 1752 pixels.

Built-in 128GB memory with expandable micro SD card.

The device has a dedicated stylus and a protective film on the display.

8GB of RAM cache.

Android 12 system.

The device has a manufacturer's warranty until December 2023 upon presentation of the purchase invoice that includes the device.

The set includes the original Samsung housing in the color of the device with a dedicated space for the sPen stylus.

Price 480 for small negotiations.

Possibility of personal collection or travel from my website up to +/- 35km from Leiden. (we'll get along
