With pain in my heart, I am selling my MX-5 NC "Daisy" due to needing a bigger car for family reasons.

This 2.0L Mazda MX-5 with the Power Retractable Hard Top (PRHT) comes from 2012 and was exported from Germany. It is in a really good condition from inside to outside, since it was taken well care of by me as well as by the previous owner. It has always proven to me to be a very reliable and economical car, while still providing the very pleasurable and fun driving experience.
 Average gas consumption: 7.6l/100km (1l per 13.2km)
 New apk: till 05-08-2023
