

## Cranchi 700 Derby Volvo Penta 5.7 270 pk, technische 100 (12.500 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-1348059-z>

Beschrijving:

Wij willen de boot verkopen omdat we op zoek zijn naar een camper.

Beschrijving:

Zeer mooie klassieke Italiaanse Speedboot  
 Cranchi 700 Boten bouwer sinds 1870  
 Erg fijne vaareigenschappen, mede door de diepe V-bodem.

Motor en staartstuk zijn compleet gereviseerd in 2019 door een erkende Volvo Penta dealer. (Zie de rekeningen bij de foto's)  
 Dus is de boot technisch 100% in orde.

De boot is afgelopen winter opnieuw in de zwarte antifouling gezet door dezelfde Volvo Penta dealer. (zie foto's)

Is ook goed mee te waterskiën.  
 Eventueel met ski vergunning voor Uitgeestermeer/Akersloot.

|                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                    |
