900kg 200pk+ condition 8/10 (only few little spots on body need cosmetic, you'll see it later on video) If you have any questions feel free to contact me. There is no problem at all to make diagnostic checks in any car service before buy if you want. Engine was completely repaired in November 2021. I'll also post soon video showing all car details around and inside and links will be shared here in description. Let me know if you need any specific extra photos. Car can be sold but definitely don't have to be so please don't disturb if you're not really interested in. My Dutch is not perfect so please forgive me when contacting. .
