

# Saab 9-3 2.8 Turbo V6 Sport Estate Aero Auto (5.250 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-1359449-z>

Bij deze zet ik mijn prachtige Saab aero v6 te koop. Auto heeft 198.xxx gereden. Auto staat momenteel stil. Apk tot maart 2023. Wegens het veranderen van werk is het zeer zonde om de auto als dagelijkse auto te blijven rijden.

Het is een zeer complete uitvoering, misschien zelfs wel vol optie.

- Hoogte punten:
- two tone leer
  - afneembare trekhaak
  - motor voorverwarming
  - hele onderhoudshistorie bekend
  - bagage afscheidings net
  - denso gateway 500 ingebouwd volledig usb intergratie middels de icm300
  - sun roof
  - extra set winterbanden op velg

Auto is in 2019 geïmporteerd uit Zweden van 2de eigenaar.

De auto ziet er gezien de kilometerstand en leeftijd heel goed uit, heeft 2/3 hele kleine deukjes en er begint minimaal wat roest te komen aan de wielranden achter. Bodem is compleet hard.

|                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |
