

## Apple MacBook Air 2015 13,3inch, 8GB RAM, HDD 256GB SSD ZGAN

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentieX.nl/x-1361267-z>

Recent heb ik besloten mijn Apple IMac en Apple MacBook Air te vervangen met een up-spec MacBook Pro.

Nu ik sinds kort met pensioen ben kan ik volstaan met één computer die ik zowel thuis als op reis kan gebruiken. Nu de MacBook Pro er is, bied ik mijn MacBook Air te koop aan. Ik heb deze weinig gebruikt en hij ziet er echt nog als nieuw uit, er zitten geen beschadigingen of krassen op.

Het betreft een 2015 model dat ik nieuw heb gekocht op 31-8-2016, de doos en alles zit er bij.

### Specificaties:

Merk + Typenummer: Apple MacBook Air Early 2015 (A1466)

Processor fabrikant: Intel

Processormodel: i5 1.6 GHz dual-core met 3 MB Level 3-cache (Turbo Boost tot 2,7 Ghz)

Intern geheugen: 8GB SDRAM 1600mhz

Intern geheugentype: DDR3

Opslagmedia: SSD

Totale opslagcapaciteit: 256GB

Geheugenkaartlezer: Ja

Beeldscherm diagonaal: 13,3

Antireflectiescherm: Nee

Resolutie: 1440x900 pixels

Video- en beeldinvoer: Intel HD Graphics 6000

Bestandssysteem: macOS Monterey 12.5.1

Verkoopsdatum: 31-8-2016

Verkoopslocatie: ja, bekend

USB 3.x-poorten: 2

Thunderbolt-poort: 1

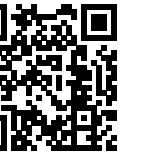

Koptelefoon aansluiting: ja

Verlicht toetsenbord: ja

Camera voorzijde: ja

Toetsenbord layout: QWERTY

Met adapter oplader: ja, MagSafe 2 met magnetische aansluiting

|                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                        |
