HP Pavilion
 Model: 15-cx0028nm for sale!

The laptop was bought brand new in October 2014.
 It was only used for Microsoft Office, Ableton and video streaming.
 It has a double graphic card (from the factory) and an upgraded RAM from 16 to 32 GB.
 It has a gorgeous LED keyboard that's really nice on the touch.
 The shell is made from a combination of brushed metal and plastic.
 It has all the necessary ports (USB A, USB C, HDMI, ETHERNET, SD CARD SLOT, audio jack etc.)
 Preserved quite nicely as seen on pictures but could probably use a good internal and external cleaning.
 The hinge on the right side is a bit flimsy and the battery is still original so it's obviously weak but in general the computer turns on fast and it works normally.

Processor: Intel(R) Core (TM) i7-8750H CPU @ 2.20GHz 2.21 GHz
 RAM: 32 GB
 SSD: 256 GB
 GRAPHICS: NVIDIA Geforce GTX 1050 & Intel(R) UHD Graphics
